# DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS

## WINTER CREEK ESTATES

This DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS (THIS "Declaration") is executed effective as of the 18th day of September, 2002, by the Winter Creek Estates, a.k.a. GEOK, LP, a Delaware limited partnership, ("Declarant").

Declarant desires to create certain easements, restrictions, covenants, development and design standards, assessments, and liens upon various portions of the Property for the benefit of the Declarant and future owners of the Property, and in accordance with Declarant's intention that the Property be developed in a consistent, compatible, and mutually beneficial manner.

Declarant will establish an Architectural Committee that will promulgate Design Guidelines governing all aspects of the design and construction of Homes, and Home Exteriors. The Design Guidelines will be administered by the Architectural Committee which will have the power to review and approve all Plans. Both the initial construction of Homes and Home Exteriors, and the alterations to Homes, and Home Exteriors, are governed by the Design Guidelines, and subject to the review, and approval of Plans. The Architectural Committee may reject Plans on purely aesthetic grounds.

During the construction and marketing of the Lots, Declarant shall retain certain rights set forth in this Declaration, which rights shall include, without limitation, the right to appoint all members of the Architectural Committee, and the Board, the right to replat all, or any portion of the Property, the right to add to, or delete from this Declaration, any other real property, the right to construct Improvements, grant easements and licenses, and control construction activities, and the right to execute certain documents, and perform certain other acts in connection with the development and promotion of the Property.

Declarant further desires to create a mechanism by which the covenants, standards, and other provisions, hereof, may be administered, and enforced, for the development of the Property.

**NOW, THEREFORE, Declarant does hereby declare that the Property, (as defined herein), be held, sold, transferred, encumbered, developed, occupied, leased, and used, subject to, and in accordance with, the provisions of this Declaration**

In the event of any conflict or inconsistency between the provisions of this Declaration and the provisions of the Association Documents, this Declaration shall control.
- 3.05 **Liability Limitations.** No Member, or director, partner, or officer of the Association, the Board, or Declarant shall be personally liable for debts contracted for, or otherwise incurred, by the Association or for any tort committed by, or on behalf of, the Association, or for a tort of another Member, whether such other Member was acting on behalf of the Association or otherwise. - 3.06 Security Services. NEITHER THE ASSOCIATION, THE BOARD, DECLARANT, NOR ANY SUCCESSOR DECLARANT, SHALL IN ANY WAY BE CONSIDERED INSURERS, OR GUARANTORS OF SECURITY WITHIN THE PROPERTY, AND NEITHER THE ASSOCIATION, DECLARANT, NOR ANY SUCCESSOR DECLARANT, SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OR FAILURE TO PROVIDE ADEQUATE SECURITY, OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. EACH OWNER OF ANY LOT, AND EACH TENANT, GUEST, AND INVITEE OF ANY OWNER, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT THE ASSOCIATION, THE BOARD, THE ARCHITECTURAL COMMITTEE, DECLARANT, OR ANY SUCCESSOR DECLARANT, ARE NOT INSURERS, AND EACH OWNER OF ANY LOT OR TRACT, AND EACH TENANT, GUEST, AND INVITEE OF ANY OWNER, ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO LOTS, AND TO THE CONTENTS TO LOTS, AND FURTHER ACKNOWLEDGES THAT THE ASSOCIATION, THE BOARD, THE ARCHITECTURAL COMMITTEE, DECLARANT, OR ANY SUCCESSOR DECLARANT, HAVE MADE NO REPRESENTATIONS, OR WARRANTIES, NOR HAS ANY OWNER, RESIDENT, TENANT, GUEST, OR INVITEE RELIED UPON ANY REPRESENTATIONS, OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OF FITNESS, FOR ANY PARTICULAR PURPOSE, RELATIVE TO SECURITY MEASURES UNDERTAKEN WITHIN THE PROPERTY.
- 3.07 Rules and Regulations: The use and enjoyment of the Home Exteriors, and Common Areas, shall at all times, be subject to reasonable rules and regulations, (the "Rules and Regulations"), duly adopted by the Board. The Rules and Regulations may include provisions governing the construction activities in, and access to and from the Property by builders and contractors. Copies of the Rules and Regulations shall be furnished, by the Association, to all Owners upon request. The Rules and Regulations shall be binding upon the Owners, their families, tenants, guests, contractors, invitees, servants, and agents.
- 3.08 Managing Agent: The Association may employ a managing agent to assist the Board in administering the affairs of the Association. The Association may enter into a management agreement with Declarant, or an affiliate of Declarant.
- 3.09 Right to Enforce Maintenance and Repair of Homes If in the sole judgment of the Board, (a) an Owner has failed to maintain the Owner's Home, and/or Home Exterior, in good condition and repair, or the appearance of portions of the Owner's Home, and/or Home Exterior, are not of the character and quality of that of other Homes and Home Exteriors in the Property, or in compliance with the Rules and Regulations, or (b) the Owner has failed to keep the Home Exterior

free of debris, then without limiting any rights or remedies of the Board, hereunder, or at law, the Association, its agents, employees, and contractors shall have the right upon the Lot, (but not the interior of the Home), and perform any maintenance or repair work which it deems necessary, or appropriate, and the cost thereof shall be a charge against the Owner and his Lot hereunder, and shall be payable by the Owner of the Lot to the Association upon demand. In the event that the Owner fails to make prompt payment of the charge upon demand, the charge shall be a continuing lien upon the Owner's Lot until such time as payment is made in full, and such lien shall be enforceable against the Owner and the Lot in the manner provided in Section 4.07.

3.10 Merger and Consolidation. Upon a merger or consolidation of the Association with another corporation organized for the same or similar purposes, the Association's properties, rights, and obligations may be transferred to the surviving or consolidated association, or alternatively, the properties, rights, and obligations of another association may be added to the properties, rights, and obligations of the Association, as a surviving corporation pursuant to a merger. The surviving or consolidated association shall administer the covenants, conditions, and restrictions established by this Declaration, together with the covenants, conditions, and restrictions applicable to the properties of the other association as one scheme. ## ARTICLE IV

### Covenants and Liens for Assessments

4.01 Assessments and Creation of the Lien and Personal Obligations of Assessments: The Declarant, for each Lot owned by it, within the Property, which is not expressly excluded herein from Assessments, and/or these liens, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or no it shall be so expressed in such deed, is deemed to covenant, and agree to pay to the Association: (a) annual assessments, or charges, as hereinafter provided, (the "Annual Assessments"), and (b) special assessments for capital improvements, such assessments to be established, and collected as hereinafter provided, (the "Special Assessments"). The Assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge, and continuing lien, upon each Lot against which each such Assessment is made. Each such Assessment, altogether with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of the Lot at the time when the Assessment fell due.

The personal obligation for delinquent Assessments shall not pass to successors in title, unless expressly assumed by them.

- 4.02 Purpose of Annual Assessments** Annual Assessments shall be made annually by the Association, and shall be used for the purpose of promoting the enjoyment, and welfare of the Owners, and for the maintenance and improvement to the Common Areas and other portions of the Property, for which the Association has responsibilities, as provided in this Declaration, including, and without limitation, for the (a) maintenance and repair, (and replacement, as necessary, but excluding initial construction, unless authorized by this Declaration), of the Common Areas, waterways, other facilities, and operations, and all landscaped areas located within median strips, or other portions of any dedicated or private streets, or other rights-of-way, on or adjacent to the Property; (b) the payment of ad valorem taxes, assessments, and similar charges, and premiums for hazard, and other insurance in connection with the Common Areas, and such other portions of the Property as the Board deems appropriate, and public liability and other insurance of the Association; (c) payments of the cost of labor, utilities, water, lighting, walkways, equipment, (including the expense of leasing any equipment), and material required for, and management and supervision of, the Common Areas; (d) compliance with governmental laws, rules, and regulations; (e) carrying out the powers, and duties of the Board and the Association; (f) payment for security services, if any, for the Property; and (g) carrying out the purposes of the Association, as stated in the Association Documents.
- 4.03 Special Assessments for Capital Improvements** In addition to the Annual Assessments authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement upon the Common Areas, including fixtures and personal property related thereto, provided that any such Special Assessment shall have the assent of two-thirds (2/3) of the votes entitled to be cast by the Members present, voting in person, or represented by valid proxy, at a meeting duly called for that purpose at which a quorum is present. Written notice of Special Assessments and due dates shall be sent to each owner.
- 4.04 Notice and Quorum for Any Action Authorized Under Sections 4.02 and 4.03:** Written notice of any meeting, for the purpose of taking any action authorized under Sections 4.02 or 4.03, shall be sent to all Members not less than ten (10) days nor more than forty-five (45) days in advance of the meeting. At the first of each such meeting called, the presence of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the proceeding meeting. With respect to Section 4.03, in the event two-thirds (2/3) of the members present do not assent at the time of the

meeting to the proposed special assessment, Members not present, may within thirty (30) days thereafter, give assent, by delivery of written assent, to the Secretary of the Association, and such assents shall be deemed votes cast at the meeting.

- 4.05 Uniform Rate of Assessment: Both Annual and Special Assessments must be fixed at a uniform rate, and may be collected on a monthly basis.
- 4.06 Date of Commencement of Annual assessments Due Dates. The first Annual Assessments shall commence, as to all Lots, on the date specified by the Board and shall continue thereafter from year to year. The first Annual Assessment shall be adjusted according to the number of months remaining in the calendar year. The Association shall fix the amount of subsequent Annual Assessments against each Lot at least thirty (30) days in advance of each Annual Assessment period. The omission or failure of the Association to timely fix the Annual Assessments shall not be deemed a waiver or release of any Owner from the obligation to pay such Assessment when fixed. Written notice of the Annual Assessment shall be sent to every Owner subject thereto. The due dates for the Annual Assessments shall be established by the Association. The association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association, setting forth whether the Assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of Assessments on a Lot is binding upon the association as of the date of its issuance.
- 4.07 Effect of Nonpayment of Assessments: Remedies of the Association. Any Assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of fifteen (15%) per annum, and Owners shall be liable for all costs and expenses incurred in collection, including attorneys' fees. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive, or otherwise escape liability, for the Assessments provided for herein by non-use of the Common Area or abandonment of his Lot.
- 4.08 Subordination of the Lien to Mortgages The lien of the Assessments shall be subordinate to the lien of ad valorem taxes and if any first mortgage. Sale or transfer of any Lot shall not affect the lien for Assessments, except that a sale or transfer of any Lot pursuant to mortgage foreclosure, or any proceeding in lieu thereof, shall extinguish a subordinate lien for Assessments which became payable prior to that foreclosure. Any such delinquent Assessments shall continue to be the personal obligation of the Owner of the Lot foreclosed upon, notwithstanding the extinguishment of the lien securing such Assessments. No sale or transfer shall relieve the purchaser or transferee of a Lot, nor the Lot so foreclosed from liability from the Assessments thereafter becoming due, or from the lien thereof. Upon the sale or conveyance of any Lot, all unpaid Assessments against an Owner levied by the Board, shall first be paid out of the sale price paid by the purchaser, in preference over any other assessments or charges of whatever nature, except the following:

- (a) Assessments, liens and charges in favor of the State of Oklahoma, and any political subdivision for past due and unpaid ad valorem taxes on the Lot; and
- (b) Amounts due under any duly recorded first mortgage securing borrowed indebtedness to the extent that the Assessments are subordinated to such borrowed indebtedness.
- (c) Exempt Property: All properties, dedicated and accepted, by a public authority, and all Common Areas shall be exempt from the Assessments.

 DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS**

**WINTER CREEK ESTATES**

THIS SECOND AMENDED and RESTATED DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS (this "**Declaration**") is made as of the 20th day of November, 2017 (the "**Effective Date**"), by WINTER CREEK ESTATES, LLC, an Oklahoma limited liability company ("**Declarant**").

**RECITALS:**

A. The Declarant is successor in interest to Mid Property Holdings, LLC successor in interest to the rights of the original Declarant under that certain Declaration of Covenants, Conditions and Restrictions for Winter Creek Estates recorded February 26, 2004 in Book 2586, at Page 458 of the records of the Grady County Clerk, as amended by Amendments to Covenants recorded November 3, 2004 in Book 3671, Page 322 and a Second Amendment to Declaration of Covenants, Conditions and Restrictions and Assignment of Rights and Duties of Declarant recorded June 18, 2014, in Book 4776, at Page 459 of the records of the Grady County Clerk, as amended and restated by an Amended and Restated Declaration of Covenants, Conditions and Restrictions recorded August 8, 2014 in Book 4800, at Page 577 of the records of the Grady County Clerk (collectively the "**Original Declaration**") relative to certain parcels located in Grady County, Oklahoma.

B. The Original Declaration provides that it may be amended unilaterally by Declarant pursuant to the terms outlined in **Section 12.9(b)** thereof. Declarant, as owner of the Club Property and various Lots by virtue of the foreclosure on the same, deems it necessary to amend the Original Declaration for purposes consistent with **Section 12.9(b)** of the Original Declaration and, accordingly, imposes this Declaration against Tracts 1 through 9, both inclusive, described on **Exhibit A** attached hereto, some of which has previously been platted and the remainder of which has yet to be platted.

**AGREEMENT:**

NOW, THEREFORE, the Declarant hereby supersedes the Original Declaration effective with the recording hereof and amends and restates the Original Declaration in its entirety to provide as follows:

Declarant desires to create certain easements, restrictions, covenants, development and design standards, assessments, and liens upon various portions of the Property for the benefit of the Declarant and current and future Owners of the Property, and in accordance with Declarant's intention that the Property be developed in a consistent, compatible, and mutually beneficial manner.

Declarant will establish an Architectural Committee that will promulgate Design Guidelines governing all aspects of the design and construction of Dwellings, and Dwelling Exteriors. The Design Guidelines will be administered by the Architectural Committee which will have the power to review and approve all Plans. Both the initial construction of Dwellings and Dwelling Exteriors, and the alterations to Dwellings, and Dwelling Exteriors, are governed by the Design Guidelines, and subject to the review, and approval of Plans. The Architectural Committee may reject Plans on purely aesthetic grounds.

During the construction and marketing of the Lots, Declarant shall retain certain rights set forth in this Declaration, which rights shall include, without limitation, the right to appoint all members of the Architectural Committee and the Board, the right to replat all, or any portion of the Property, the right to add to or delete from this Declaration, any other real property, the right to construct Improvements, grant easements and licenses, and control construction activities, and the right to execute certain documents, and perform certain other acts in connection with the development and promotion of the Property.

Declarant further desires to create a mechanism by which the covenants, standards, and other provisions hereof may be administered and enforced for the development of the Property.

**NOW, THEREFORE, Declarant does hereby declare that the Property (as defined herein), be held, sold, transferred, encumbered, developed, occupied, leased, and used, subject to, and in accordance with, the provisions of this Declaration.**

**ARTICLE II**  
**REAL COVENANTS: ADDITION OR REMOVAL OF PROPERTY:**  
**SUPPLEMENTAL DECLARATIONS**

2.1 Real Covenants: All covenants, conditions, restrictions, easements, reservations, liens, charges, rights, benefits, and privileges which are granted, created, reserved, or declared by this Declaration shall be covenants appurtenant, running with the land, and shall at all times inure to the benefit of, and be binding on, any person, having at any time any interest or estate in any part of the Property. Each Owner resident, or other person, by acceptance of a deed conveying title to the Property, or any part thereof, or the execution of contract for the purchase thereof, or the acceptance of a lease thereof or license therefore, or the taking possession thereof, whether from Declarant, or another Owner or lessee, shall for himself, his successors, and assigns, be deemed to (a) accept such deed, contract, lease, license, or possession upon, and subject to, each and all of the provisions of this Declaration, and (b) covenant to and with Declarant, and the other Owners to keep observe, comply with, and perform the requirements of this Declaration whether or not any reference to this Declaration is contained in the instrument by which such person acquired said interest.

2.2 Addition or Removal of Property: Supplemental Declarations: Declarant reserves the right, at its discretion at such time, or times before the Turnover Date as it shall determine, to subject to the provisions of this Declaration, additional property as Declarant shall determine, together with the Improvements thereon, and easements, rights, and appurtenances thereunto, belonging or appertaining. Each of the additions, authorized pursuant to this article, shall be made by Declarant's recording a supplemental declaration, describing the additional property subjected to this Declaration. Each such instrument may also contain such additions, deletions, and modifications to the provisions of this Declaration, as Declarant may require in its sole discretion. Notwithstanding the foregoing, Declarant shall not be obligated to bring any additional property within the scheme of development established by this Declaration, and no negative reciprocal easement shall arise out of this Declaration, so as to benefit or bind any such additional property until, and unless, such additional property is expressly subjected to the provisions of this Declaration in accordance with this article. The failure of Declarant to extend the provisions of this Declaration to additional property shall not be deemed to prohibit the establishment of a separate scheme of development, (including provisions substantially similar, or identical to those contained herein), for such additional property to which this Declaration is not extended.

At any time prior to the Turnover Date, Declarant reserves the right, in its sole discretion, to remove from the provisions of this Declaration any portion of the Property then owned by Declarant. Any removal made by Declarant pursuant to this Article II shall be made by Declarant's recording a supplemental declaration describing the portion of the Property removed from this Declaration. From, and after, the date such supplemental declaration is so recorded, the portion of the Property so removed shall be free and clear of this Declaration, and of all the terms, covenants, and restrictions contained herein, including, without limitation, the liens and other provisions, in Article IV, provided that Declarant shall not remove portions of the Property which are totally surrounded on all boundaries by Property subject to this Declaration, and such removed Property shall not be entitled to use the Common Areas unless pursuant to a written agreement with the Declarant or the Association.

2.3 No Approval Needed: The exercise of Declarant's rights under Section 2.2 is not subject to the approval of any Owner, and the requirements and limitations set forth in Section 12.9 for amendments to

this Declaration shall be inapplicable to such action.

2.4 No Obligation to Develop. Nothing herein shall require Declarant to continue with the development of unimproved sections of the property, whether currently subject to a Plat, or not, or to install any improvements such as roads or utilities in the residential sections of the Property where such improvements do not currently exist.

The Voting Member, or his proxy, shall be the individual who shall be entitled to vote at meetings of the Owners. If the record of ownership of a Lot shall be in the name of more than one person, or if an Owner is a trustee, corporation, partnership, or other legal entity, then the Voting Member for the Lot shall be designated by such Owner, or Owners, in writing, to the Board and if in the case of multiple individual Owners, no designation is given, then the Board, at its election, may recognize any individual Owner of the Lot of its choosing as the Voting Member for such Lot.

3.4 Board: Subject to the rights retained by the Declarant, pursuant to Section 11.4, the Board shall consist of three (3) natural persons as determined by the Association Documents, each of whom, after the Turnover Date, shall be an Owner or Voting Member. Except to the extent expressly provided in this Declaration, all of the rights, powers, and duties of the Association, and Association Members, including the Association Members' voting rights, shall be governed by the Association Documents. In the event of any conflict or inconsistency between the provisions of this Declaration and the provisions of the Association Documents, this Declaration shall control.

3.5 Liability Limitations: No Association Member, or director, partner, or officer of the Association, the Board, or Declarant shall be personally liable for debts contracted for, or otherwise incurred, by the Association or for any tort committed by, or on behalf of, the Association, or for a tort of another Association Member, whether such other Association Member was acting on behalf of the Association or otherwise. Neither Declarant, nor the Board, the Association, their directors, partners, officers, agents, or employees shall be liable for any damages, whether direct, incidental, or consequential for failure to inspect any premise, Improvements, or portions thereof, or for failure to repair, or maintain the same. Declarant, the Association or any other person, firm, or corporation, liable to make such repairs or maintenance shall not be liable for any personal injury or other incidental, or consequential damages occasioned by any act, or

omission, in the repair, or maintenance of any premise, Improvements, or portions thereof, including and without limitation, any negligent act, or omission of Declarant, the Association or their agents, employees, or contractors.

3.6 Security Services: NEITHER THE ASSOCIATION, THE BOARD, DECLARANT, NOR ANY SUCCESSOR DECLARANT, SHALL IN ANY WAY BE CONSIDERED INSURERS, OR GUARANTORS OF SECURITY WITHIN THE PROPERTY, AND NEITHER THE ASSOCIATION, DECLARANT, NOR ANY SUCCESSOR DECLARANT, SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OR FAILURE TO PROVIDE ADEQUATE SECURITY, OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. EACH OWNER OF ANY LOT, AND EACH TENANT, GUEST, AND INVITEE OF ANY OWNER, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT THE ASSOCIATION, THE BOARD, THE ARCHITECTURAL COMMITTEE, DECLARANT, OR ANY SUCCESSOR DECLARANT, ARE NOT INSURERS, AND EACH OWNER OF ANY LOT OR TRACT, AND EACH TENANT, GUEST, AND INVITEE OF ANY OWNER, ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO LOTS, AND TO THE CONTENTS OF LOTS, AND FURTHER ACKNOWLEDGES THAT THE ASSOCIATION, THE BOARD, THE ARCHITECTURAL COMMITTEE, DECLARANT, OR ANY SUCCESSOR DECLARANT, HAVE MADE NO REPRESENTATIONS, OR WARRANTIES, NOR HAS ANY OWNER, RESIDENT, TENANT, GUEST, OR INVITEE RELIED UPON ANY REPRESENTATIONS, OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OF FITNESS, FOR ANY PARTICULAR PURPOSE, RELATIVE TO SECURITY MEASURES UNDERTAKEN WITHIN THE PROPERTY.

3.7 Rules and Regulations: The use and enjoyment of the Dwelling Exteriors, and Common Areas, shall at all times, be subject to reasonable rules and regulations (the "Rules and Regulations"), duly adopted by the Board. The Rules and Regulations may include provisions governing the construction activities in, and access to and from the Property by builders and contractors. Copies of the Rules and Regulations shall be furnished, by the Association, to all Owners upon written request. The Rules and Regulations shall be binding upon the Owners, their families, tenants, guests, contractors, invitees, servants, and agents.

3.8 Managing Agent: The Association may employ a managing agent to assist the Board in administering the affairs of the Association. The Association may enter into a management agreement with Declarant, or an affiliate of Declarant.

3.9 Right to Enforce Maintenance and Repair of Dwellings: If in the sole judgment of the Board (a) an Owner has failed to maintain the Owner's Dwelling, and/or Dwelling Exterior, in good condition and repair, or the appearance of portions of the Owner's Dwelling, and/or Dwelling Exterior, are not of the character and quality of that of other Dwellings and Dwelling Exteriors in the Property, or in compliance with the Rules and Regulations, or (b) the Owner has failed to keep the Dwelling Exterior free of debris, then without limiting any rights or remedies of the Board, hereunder, or at law, the Association, its agents, employees, and contractors shall have the right to enter upon the Lot, (but not the interior of the Dwelling), and perform any maintenance or repair work which it deems necessary, or appropriate, and the cost thereof shall be a charge against the Owner and his Lot hereunder, and shall be payable by the Owner of the Lot to the Association upon demand. In the event that the Owner fails to make prompt payment of the charge upon demand, the charge shall be a continuing lien upon the Owner's Lot until such time as payment is made in full, and such lien shall be enforceable against the Owner and the Lot in the manner provided in Section 4.7.

3.10 Merger and Consolidation: Upon a merger or consolidation of the Association with another

corporation organized for the same or similar purposes, the Association's properties, rights, and obligations may be transferred to the surviving or consolidated association, or alternatively, the properties, rights, and obligations of another association may be added to the properties, rights, and obligations of the Association, as a surviving corporation pursuant to a merger. The surviving or consolidated association shall administer the covenants, conditions, and restrictions established by this Declaration, together with the covenants, conditions, and restrictions applicable to the properties of the other association as one scheme. No merger or consolidation shall be permitted after the Turnover Date without the consent of Voting Members representing seventy-five percent (75%) of the total number of existing votes.

3.11 Dissolution: To the extent permissible under law, in the event of the dissolution of the Association, any Common Area owned by the Association may be conveyed by the Association to the Owners, as tenants in common.

## ARTICLE IV COVENANTS AND LIENS FOR ASSESSMENTS

4.1 Assessments and Creation of the Lien and Personal Obligations of Assessments: The Declarant, for each Lot owned by it which is not expressly excluded herein from Assessments, and/or these liens, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant, and agree to (a) pay to the Association annual assessments, or charges, as hereinafter provided, (the "Annual Assessments"), (b) pay to the Association special assessments for capital improvements, such assessments to be established, and collected as hereinafter provided, (the "Special Assessments"), (c) pay to the Association individual or specific assessments against any particular Lot or Dwelling which are established pursuant to this Declaration, including, but not limited to, fines as may be imposed against such Lot or Dwelling in accordance with Article XII hereof, and (d) pay to the Club Owner, Membership Fees, as hereinafter defined, which may be established and collected as provided in this Article IV or pursuant to Article IX. The Assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge, and continuing lien, upon each Lot against which each such Assessment is made. Each such Assessment, altogether with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of the Lot at the time when the Assessment fell due. Any such assessments, together with late charges, interest on the unpaid balance at the default rate per annum, and court costs and attorneys' fees incurred to enforce or collect such assessments, shall be an equitable charge and a continuing lien upon the Lot or Dwelling, the Owner of which is responsible for payment. Each Owner shall be personally liable for assessments coming due while he is the Owner of a Lot or Dwelling, and his grantee shall take title to such Lot or Dwelling subject to the equitable charge and continuing lien therefor, but without prejudice to the rights of such grantee to recover from his grantor any amounts paid by such grantee therefor; provided, however, the lien for unpaid assessments shall not apply to the holder of any first priority Mortgage or to the holder of any Mortgage securing a loan made by Declarant, its affiliates, successors, or assigns, and who takes title to a Lot or Dwelling through foreclosure or through conveyance of a deed in lieu of foreclosure or to any purchaser of such Lot or Dwelling at such foreclosure sale. In the event of co-ownership of any Lot or Dwelling, all of such co-Owners shall be jointly and severally liable for the entire amount of such assessments.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors; provided that unless otherwise specifically provided by the Board or in this Declaration, the Annual Assessments, including Club Assessments, shall be paid in advance at the beginning of the fiscal year of the Association. For all platted Lots or Dwellings owned by Declarant, yearly assessments shall be paid in arrears at the end of the fiscal year of the Association; provided, however, if a Lot or Dwelling is sold during the fiscal year, the entire yearly assessment for that year shall be payable at the time of the sale. Notwithstanding the foregoing, the following qualifications and limitations on the assessments payable by Declarant (as hereinafter specially defined for purposes of these qualifications and limitations) shall apply: (a) So long as Declarant owns any platted Lots or unoccupied Dwellings, Declarant shall not be subject to any additional assessment with respect to such Lots or unoccupied Dwellings that may be hereafter adopted by the Association to provide incentive or assistance funds relative to maintenance or operation of the Golf Course on the Club Property; and (b) the yearly assessment payable by the Declarant with respect to any such Lot or unoccupied Dwelling shall reduce in accordance with the following schedule:

- For the first year, measured from the date the Lot is deemed developed (as hereinafter

2017-026817 Book 5333 Page 60

defined), the assessment on the Lot or unoccupied Dwelling shall be the full amount determined as provided for other non-Declarant owned Lots therein a "Full Assessment"). For all Lots deemed developed as of the date of this Amendment the foregoing one-year period shall be deemed to start on the effective date of this Amendment, and the subsequent yearly periods described below will be measured from the effective date of this Amendment.

- For the second year after the Lot is deemed developed, the yearly assessment shall be one-half (1/2) of the Full Assessment.

- For the third year after the Lot is deemed developed and thereafter until the Lots is sold, the yearly assessment shall be one-quarter (1/4) of the Full Assessment.

The reduced assessments shall apply only to the Declarant. Therefore, if a Lot is sold during any fiscal year the portion of the assessment attributable to portion of the year after the sale (and payable at the time of sale) shall be a pro rata portion of the Full Assessment and a pro rata portion of any Club Assessment for that year. Because the reductions may occur at times other than the beginning of a fiscal year, the yearly assessment for a fiscal year may have to be determined using two different rates.

For purposes of the foregoing schedule of reducing assessments, a Lot shall be deemed "developed" when the street serving the Lot is paved and available for vehicular access to the Lot and electric service to the Lot is available in the platted easement serving the Lot. Also, for purposes of this Section 4.1, the term Declarant shall mean Winter Creek Estates, LLC.

**4.2 Purpose of Annual Assessments:** Annual Assessments shall be made by the members of the Association, and shall be used for the purpose of promoting the enjoyment, and welfare of the Owners, and for the maintenance and improvement to the Common Areas and other portions of the Property, for which the Association has responsibilities, as provided in this Declaration, including, and without limitation, for the

- (a) maintenance and repair, (and replacement, as necessary, but excluding initial construction, unless authorized by this Declaration), of the Common Areas, waterways, other facilities, and operations, and all landscaped areas located within median strips, or other portions of any dedicated or private streets, or other rights-of-way, on or adjacent to the Property;

- (b) the payment of ad valorem taxes, assessments, and similar charges, and premiums for hazard, and other insurance in connection with the Common Areas, and such other portions of the Property as the Board deems appropriate, and public liability and other insurance of the Association;

- (c) payments of the cost of labor, utilities, water, lighting, walkways, equipment, (including the expense of leasing any equipment), and material required for, and management and supervision of, the Common Areas;

- d) compliance with governmental laws, rules, and regulations;

- (e) carrying out the powers, and duties of the Board and the Association;

- (f) payment for security services, if any, for the Property; and

- (g) carrying out the purposes of the Association, as stated in the Association Documents.

**4.3 Special Assessments for Capital Improvements:** In addition to the Annual Assessments authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement upon the Common Areas, including fixtures and personal property

related thereto, provided that any such Special Assessment shall have the assent of two-thirds (2/3) of the votes entitled to be cast by the Association Members present, voting in person, or represented by valid proxy, at a meeting duly called for that purpose at which a quorum is present. Written notice of Special Assessments and due dates shall be sent to each owner.

4.4 Notice and Quorum for Any Action Authorized Under Sections 4.2 and 4.3: Written notice of any meeting, for the purpose of taking any action authorized under Sections 4.2 or 4.3, shall be sent to all Association Members not less than ten (10) days nor more than forty-five (45) days in advance of the meeting. At the first of each such meeting called, the presence of Association Members or of proxies entitled to cast sixty percent (60%) of all votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the proceeding meeting. With respect to Section 4.3, in the event two-thirds (2/3) of the Association Members present do not assent at the time of the meeting to the proposed special assessment, Association Members not present may, within thirty (30) days thereafter, give assent, by delivery of written assent, to the Secretary of the Association, and such assents shall be deemed votes cast at the meeting.

4.5 Uniform Rate of Assessment: Both Annual and Special Assessments must be fixed at a uniform rate, and may be collected on a monthly basis.

4.6 Date of Commencement of Annual Assessments; Due Dates: The first Annual Assessments shall commence, as to all Lots, on the date specified by the Board and shall continue thereafter from year to year. The first Annual Assessment shall be adjusted according to the number of months remaining in the calendar year. The Association shall fix the amount of subsequent Annual Assessments against each Lot at least thirty (30) days in advance of each Annual Assessment period. The omission or failure of the Association to timely fix the Annual Assessments shall not be deemed a waiver or release of any Owner from the obligation to pay such Assessment when fixed. Written notice of the Annual Assessment shall be sent to every Owner subject thereto. The due dates for the Annual Assessments shall be established by the Association. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association, setting forth whether the Assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of Assessments on a Lot is binding upon the Association as of the date of its issuance.

4.7 Effect of Nonpayment of Assessments: Any Assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the Default Rate of eighteen (18%) per annum, and Owners shall be liable for all costs and expenses incurred in collection, including attorneys' fees. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive, or otherwise escape liability, for the Assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

4.8 Subordination of the Lien to Mortgages: The lien of the Assessments shall be subordinate to the lien of ad valorem taxes and any duly recorded first mortgage filed prior to the date of the recording of the lien created by the unpaid Assessments. Sale or transfer of any Lot shall not affect the lien for Assessments, except that a sale or transfer of any Lot pursuant to mortgage foreclosure, or any proceeding in lieu thereof,

shall extinguish a subordinate lien for Assessments which became payable prior to that foreclosure. Any such delinquent Assessments shall continue to be the personal obligation of the Owner of the Lot foreclosed upon, notwithstanding the extinguishment of the lien securing such Assessments. No sale or transfer shall relieve the purchaser or transferee of a Lot, nor the Lot so foreclosed from liability from the Assessments thereafter becoming due, or from the lien thereof. Upon the sale or conveyance of any Lot, all unpaid Assessments against an Owner levied by the Board, shall first be paid out of the sale price paid by the purchaser, in preference over any other assessments or charges of whatever nature, except the following:

- Assessments, liens and charges in favor of the State of Oklahoma, and any political subdivision for past due and unpaid ad valorem taxes on the Lot; and
- Amounts due under any duly recorded first mortgage securing borrowed indebtedness to the extent that the Assessments are subordinated to such borrowed indebtedness.
- Exempt Property: All properties, dedicated and accepted, by a public authority, and all Common Areas shall be exempt from the Assessments.

Such easements may be granted, or accepted by Declarant until such time as Declarant delegates said authority to the Board, provided, however, prior to the Turnover Date, the Board must obtain the written consent of Declarant prior to granting, or accepting, any such easements. All water rights, surface water and runoff water from the Property shall belong to the Declarant or its assignee for the purpose of irrigation of the Club Property or any other purpose chosen by the owner of those water rights. Without the prior written consent of the Club Owner, no Owner shall change the natural flow of the surface water on Owner's Lot so as to either (i) direct water onto the Club Property, or (ii) to disturb the natural flow of water onto the Club Property.

Each deed, mortgage, trust deed, other evidence of obligation, other instrument affecting a lot, and the acceptance thereof, shall be deemed to be a grant and acknowledgement of, and a consent to the reservation of, the power to Declarant to make, execute, and record such amendments. **AGREEMENT:**

NOW, THEREFORE, the Declarant hereby supersedes the Original Declaration effective with the recording hereof and amends and restates the Original Declaration in its entirety to provide as follows:

Declarant desires to create certain easements, restrictions, covenants, development and design standards, assessments, and liens upon various portions of the Property for the benefit of the Declarant and

The Design Guidelines will be administered by the Architectural Committee which will have the power to review and approve all Plans. Both the initial construction of Dwellings and Dwelling Exteriors, and the alterations to Dwellings, and Dwelling Exteriors, are governed by the Design Guidelines, and subject to the review, and approval of Plans. The Architectural Committee may reject Plans on purely aesthetic grounds.

During the construction and marketing of the Lots, Declarant shall retain certain rights set forth in this Declaration, which rights shall include, without limitation, the right to appoint all members of the Architectural Committee and the Board, the right to replat all, or any portion of the Property, the right to add to or delete from this Declaration, any other real property, the right to construct Improvements, grant easements and licenses, and control construction activities, and the right to execute certain documents, and perform certain other acts in connection with the development and promotion of the Property.

Declarant further desires to create a mechanism by which the covenants, standards, and other provisions hereof may be administered and enforced for the development of the Property.

The failure of Declarant to extend the provisions of this Declaration to additional property shall not be deemed to prohibit the establishment of a separate scheme of development, (including provisions substantially similar, or identical to those contained herein), for such additional property to which this Declaration is not extended.

At any time prior to the Turnover Date, Declarant reserves the right, in its sole discretion, to remove from the provisions of this Declaration any portion of the Property then owned by Declarant. 3.6 Security Services: NEITHER THE ASSOCIATION, THE BOARD, DECLARANT, NOR ANY SUCCESSOR DECLARANT, SHALL IN ANY WAY BE CONSIDERED INSURERS, OR GUARANTORS OF SECURITY WITHIN THE PROPERTY, AND NEITHER THE ASSOCIATION, DECLARANT, NOR ANY SUCCESSOR DECLARANT, SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OR FAILURE TO PROVIDE ADEQUATE SECURITY, OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. EACH OWNER OF ANY LOT, AND EACH TENANT, GUEST, AND INVITEE OF ANY OWNER, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT THE ASSOCIATION, THE BOARD, THE ARCHITECTURAL COMMITTEE, DECLARANT, OR ANY SUCCESSOR DECLARANT, ARE NOT INSURERS, AND EACH OWNER OF ANY LOT OR TRACT, AND EACH TENANT, GUEST, AND INVITEE OF ANY OWNER, ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO LOTS, AND TO THE CONTENTS OF LOTS, AND FURTHER ACKNOWLEDGES THAT THE ASSOCIATION, THE BOARD, THE ARCHITECTURAL COMMITTEE, DECLARANT, OR ANY SUCCESSOR DECLARANT, HAVE MADE NO REPRESENTATIONS, OR WARRANTIES, NOR HAS ANY OWNER, RESIDENT, TENANT, GUEST, OR INVITEE RELIED UPON ANY REPRESENTATIONS, OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OF FITNESS, FOR ANY PARTICULAR PURPOSE, RELATIVE TO SECURITY MEASURES UNDERTAKEN WITHIN THE PROPERTY.

ARTICLE IV  
COVENANTS AND LIENS FOR ASSESSMENTS

4.1 Assessments and Creation of the Lien and Personal Obligations of Assessments: The Declarant, for each Lot owned by it which is not expressly excluded herein from Assessments, and/or these liens, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant, and agree to (a) pay to the Association annual assessments, or charges, as hereinafter provided, (the "Annual Assessments"), (b) pay to the Association special assessments for capital improvements, such assessments to be established, and collected as hereinafter provided, (the "Special Assessments"), (c) pay to the Association individual or specific assessments against any particular Lot or Dwelling which are established pursuant to this Declaration, including, but not limited to, fines as may be imposed against such Lot or Dwelling in accordance with Article XII hereof, and (d) pay to the Club Owner, Membership Fees, as hereinafter defined, which may be established and collected as provided in this Article IV or pursuant to Article IX. The Assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge, and continuing lien, upon each Lot against which each such Assessment is made. Each such Assessment, altogether with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of the Lot at the time when the Assessment fell due. Any such assessments, together with late charges, interest on the unpaid balance at the default rate per annum, and court costs and attorneys' fees incurred to enforce or collect such assessments, shall be an equitable charge and a continuing lien upon the Lot or Dwelling, the Owner of which is responsible for payment. Each Owner shall be personally liable for assessments coming due while he is the Owner of a Lot or Dwelling, and his grantee shall take title to such Lot or Dwelling subject to the equitable charge and continuing lien therefor, but without prejudice to the rights of such grantee to recover from his grantor any amounts paid by such grantee therefor.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors; provided that unless otherwise specifically provided by the Board or in this Declaration, the Annual Assessments, including Club Assessments, shall be paid in advance at the beginning of the fiscal year of the Association.

Notwithstanding anything to the contrary contained in Section 4.1, Declarant, and its successors or assigns, shall not be responsible for payment of Membership Fees, Association dues, Annual Assessments, Special Assessments, or any individual or specific assessment; and approved builders who purchase a Lot from Declarant for construction and resale shall not be responsible for payment of Association dues, Annual Assessments, or Special Assessments on the Lot purchased for a period of two (2) years from the date of purchase. Also, for purposes of this Section 4.1, the term Declarant shall mean Winter Creek Estates, LLC.

4.2 Purpose of Annual Assessments: Annual Assessments shall be made by the members of the Association, and shall be used for the purpose of promoting the enjoyment, and welfare of the Owners, and for the maintenance and improvement to the Common Areas and other portions of the Property, for which the Association has responsibilities, as provided in this Declaration, including, and without limitation, for the:

(a) maintenance and repair, (and replacement, as necessary, but excluding initial construction, unless authorized by this Declaration), of the Common Areas, waterways, other facilities, and operations, and all

landscaped areas located within median strips, or other portions of any dedicated or private streets, or other rights-of-way, on or adjacent to the Property;

(b) the payment of ad valorem taxes, assessments, and similar charges, and premiums for hazard, and other insurance in connection with the Common Areas, and such other portions of the Property as the Board deems appropriate, and public liability and other insurance of the Association;

(c) payments of the cost of labor, utilities, water, lighting, walkways, equipment, (including the expense of leasing any equipment), and material required for, and management and supervision of, the Common Areas;

(d) compliance with governmental laws, rules, and regulations;

(e) carrying out the powers, and duties of the Board and the Association;

(f) payment for security services, if any, for the Property; and

(g) carrying out the purposes of the Association, as stated in the Association Documents.

**4.3 Special Assessments for Capital Improvements:** In addition to the Annual Assessments authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement upon the Common Areas, including fixtures and personal property related thereto, provided that any such Special Assessment shall have the assent of two-thirds (2/3) of the votes entitled to be cast by the Association Members present, voting in person, or represented by valid proxy, at a meeting duly called for that purpose at which a quorum is present. Written notice of Special Assessments and due dates shall be sent to each owner.

**4.4 Notice and Quorum for Any Action Authorized Under Sections 4.2 and 4.3:** Written notice of any meeting, for the purpose of taking any action authorized under Sections 4.2 or 4.3, shall be sent to all Association Members not less than ten (10) days nor more than forty-five (45) days in advance of the meeting. At the first of each such meeting called, the presence of Association Members or of proxies entitled to cast sixty percent (60%) of all votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the proceeding meeting. With respect to Section 4.3, in the event two-thirds (2/3) of the Association Members present do not assent at the time of the meeting to the proposed special assessment, Association Members not present may, within thirty (30) days thereafter, give assent, by delivery of written assent, to the Secretary of the Association, and such assents shall be deemed votes cast at the meeting.

**4.5 Uniform Rate of Assessment:** Both Annual and Special Assessments must be fixed at a uniform rate, and may be collected on a monthly basis.

**4.6 Date of Commencement of Annual Assessments; Due Dates:** The first Annual Assessments shall commence, as to all Lots, on the date specified by the Board and shall continue thereafter from year to year. The first Annual Assessment shall be adjusted according to the number of months remaining in the calendar year. The Association shall fix the amount of subsequent Annual Assessments against each Lot at least thirty (30) days in advance of each Annual Assessment period. The omission or failure of the Association to timely fix the Annual Assessments shall not be deemed a waiver or release of any Owner from the obligation to pay such Assessment when fixed. Written notice of the Annual Assessment shall be sent to every Owner subject thereto. The due dates for the Annual Assessments shall be established

by the Association. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association, setting forth whether the Assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of Assessments on a Lot is binding upon the Association as of the date of its issuance.

4.7 Effect of Nonpayment of Assessments: Any Assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the Default Rate of eighteen (18%) per annum, and Owners shall be liable for all costs and expenses incurred in collection, including attorneys' fees. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive, or otherwise escape liability, for the Assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

4.8 Subordination of the Lien to Mortgages: The lien of the Assessments shall be subordinate to the lien of ad valorem taxes and any duly recorded first mortgage filed prior to the date of the recording of the lien created by the unpaid Assessments. Sale or transfer of any Lot shall not affect the lien for Assessments, except that a sale or transfer of any Lot pursuant to mortgage foreclosure, shall extinguish a subordinate lien for Assessments which became payable prior to that foreclosure. Any such delinquent Assessments shall continue to be the personal obligation of the Owner of the Lot foreclosed upon, notwithstanding the extinguishment of the lien securing such Assessments. No sale or transfer shall relieve the purchaser or transferee of a Lot, nor the Lot so foreclosed from liability from the Assessments thereafter becoming due, or from the lien thereof. Upon the sale or conveyance of any Lot, all unpaid Assessments against an Owner levied by the Board, shall first be paid out of the sale price paid by the purchaser, in preference over any other assessments or charges of whatever nature, except the following:

- Assessments, liens and charges in favor of the State of Oklahoma, and any political subdivision for past due and unpaid ad valorem taxes on the Lot; and
- Amounts due under any duly recorded first mortgage securing borrowed indebtedness to the extent that the Assessments are subordinated to such borrowed indebtedness.
- Exempt Property: All properties, dedicated and accepted, by a public authority, and all Common Areas shall be exempt from the Assessments.

8.31 Access: All Owners, by accepting title to Lots, Dwellings, lands, or other improvements conveyed subject to this Declaration, waive all rights of uncontrolled and unlimited access, ingress and egress to and from such Lots, Dwellings, lands, or other improvements and acknowledge and agree that their means of access and ingress and egress to their Lots and Dwellings shall be limited to roads, sidewalks, walkways and trails located within the Development by Declarant, provided that pedestrian and vehicular access for Owners, and their guests, and invitees to and from all Lots and Dwellings shall be provided at all times. Declarant shall have the right within its sole discretion without the additional consent of any Owners to from time to time relocate and change the direction, width and orientation of the above-referenced roads, sidewalks, walkways and trails located within the Development, provided, however, that such relocated roads, sidewalks, walkways and trails shall provide a convenient and adequate means of access to the Lots or Dwellings of Owners within the Development. There is reserved unto Declarant, its affiliates, successors and assigns, the right and privilege, but not the obligation to maintain guarded or electronically-monitored gates controlling vehicular access to and from the Development. Declarant reserves the right to restrict access over the roads on the Property to persons who are not Association Members.

ARTICLE IX  
THE GOLF CLUB AT WINTER CREEK ESTATES

9.1 Purpose. Declarant's plan for the Development is based upon Declarant's desire to establish a residential community with significant social and recreational components. In furtherance of this goal, Declarant has established the Club to operate and maintain the social and recreational facilities within the Development for the benefit of the Owners. By this Recreational Covenant, Declarant desires to provide for issuance of a Membership (as described below) in the Club for each Lot or Dwelling.

9.2 Binding Effect. All of the Property shall be held, sold, and conveyed subject to the covenants, conditions, and easements contained herein, which shall run with the title to all the Property. This Covenant shall be binding upon all Persons having any right, title or interest in any portion of the Property, their heirs, successors, successors-in-title, and assigns and shall inure to the benefit of the Club Owner. The Association shall not have the right to make any amendments hereto that will impact the operation of the Club Property without first obtaining the written consent of the Club Owner. Notwithstanding, the Club Owner shall not be required to continue to operate the Club Property as a Golf Course if the Club Owner deems it impractical to continue to do so. In such event, the Club Owner, in consultation with the Association, shall be entitled to withdraw the Club Property from the covenants, conditions and easements contained in this Declaration.

9.3 Issuance of Memberships. Subject to Section 4.1, the Club Owner shall cause a membership (the "Membership") to be issued to all Owners entitling an Owner to the use and enjoyment of all the recreational facilities within the Club Property and in accordance with the Club Plan. Only one Membership shall be issued for each Lot or Dwelling. If more than one person holds title to a Lot or Dwelling, the Membership will be issued to a designated Owner. If one person or one entity holds title to more than one Lot or Dwelling, a single Membership will be issued to the person or entity.

9.4 No Ownership Interest. No Owner, by virtue of ownership of a Lot or Dwelling or by virtue of holding the Membership in the Club, acquires any ownership interest, beneficial interest, or other vested interest whatsoever in the Club or the Club Owner, but only the privilege of using and enjoying the Club's facilities in accordance with the Club Plan, as amended from time to time.

9.5 Membership Fees. Each Owner of a Lot or Dwelling, by accepting a deed to such Lot or Dwelling is deemed to covenant and agree to pay the membership fees and dues charged by Club Owner in accordance with the Club Plan and any other charges incurred by such Owner ("Membership Fees") in a timely manner. All such Membership Fees, together with interest (computed from its due date at a maximum rate of 18% per annum) and reasonable attorneys' fees and costs shall be the personal obligation of the Owner. Failure to timely pay Membership Fees shall result in the suspension of all Club privileges until Membership Fees are brought current. Declarant, as the Club Owner, may waive – but only in a writing signed by Declarant – all or a portion of Membership Fees for approved builders.

9.6 [Intentionally Omitted]

9.7 Acknowledgement and Waiver: Each owner, occupant, or other person acquiring any interest in the Property, is hereby deemed to acknowledge being aware that it can be expected that (a) maintenance activities on the Golf Course shall begin early in the morning and extend into the evening; (b) during certain

periods of the year the Club Property will be heavily fertilized; and (c) golf balls are not susceptible to being easily controlled, and accordingly may land, or strike beyond the Club Property boundaries. Neither Declarant nor any employee or agent of Declarant, nor the owner or operator of the Club Property, nor the Association shall be liable for personal injury or property damage caused by golf balls, and all Owners are hereby deemed to waive any and all claims arising out of said activities and assume all risks relating thereto.

9.8. Golf Course: No owner, nor public at large, shall have any right, by virtue of ownership of any Lot, whether or not contiguous to the Club Property, of access, entry, or other use of the Club Property, or clubhouse, which are private membership facilities except as specifically permitted by the Club Property owner or operator. While owners of lots contiguous to the Club Property shall have the right to quiet enjoyment of their property, there shall be no activity on any contiguous lots that unreasonably disturbs play or the enjoyment of the Club Property by members and guests thereof, including without limitation, undue noise, music, unsightly trash and debris, or any other noxious or offensive activity.

Ownership of a Lot shall not entitle an owner to the right of admission to any tournament or other special event at the Golf Course. Further, no Owner or Owner's guest shall enter the Golf Course property for the purpose of playing golf without first checking in through the Clubhouse and shall not play or allow their guests to play golf when the course is closed.

**ARTICLE X  
INSURANCE, RESTORATION AND CONDEMNATION**

**10.1 Right to Purchase Insurance:** The Association may purchase, carry and maintain and enforce various insurance coverages the board, in its reasonable discretion, determine to be necessary, reasonable, and prudent to protect the Association, and its Board, agents, employees, members, and owners against claims, losses, expenses, or judgments brought against the Association as a result of the performance, or nonperformance, of its duties under this Declaration. The coverages provided by the Association shall be in such amounts, and with such deductibles, endorsements, and coverage's as shall be considered by the Board, in its sole discretion, to be good, responsible insurance practice for properties similar in construction, location, and use to this property.

**10.2 Adequacy of Insurance:** It shall be the responsibility of the individual owner or member to satisfy itself, himself, or herself from time to time, as to the adequacy, in terms of limits and coverage, of the insurance obtained by the Association, if any. The Association accepts no liability of any kind for the adequacy of the coverage with respect to meeting the individual's owner's needs. It shall be the duty of each owner to request to review the coverage provided by the Association, and to determine whether or not he needs additional coverage to satisfy his individual needs or responsibility.

**10.3 Waiver of Right of Recovery:** Each owner shall be responsible for obtaining insurance coverage for, and for the risk of injury, and physical loss, or damages of any kind, to his and his invitees' personal property, including, but not limited to, any personal property stored or located on the property, and with respect to his Dwelling. The Association, and each owner hereby waives and releases any and all claims which they may have against any owner, the Association, its directors, and officers, Declarant, the managing agent, if any and their respective employees and agents, for damage to the lots, the Dwellings, the Dwelling exteriors, the common areas, or to any personal property located in the lots, the Dwellings, the Dwelling exteriors, or the common areas caused by fire, or other causality, to the extent that such damage is insurable by fire or other forms of casualty insurance, and to the extent possible, all such policies shall contain waivers of the insurer's rights to subrogation against any Owner, the Association, its directors, and officers, Declarant, the managing agent, if any, and their respective employees and agents.

**10.4 Insurance Proceeds:** The Association shall use the net proceeds of any casualty insurance to repair and replace any damage or destruction of property covered by the insurance, either to its original design and condition or, in the reasonable discretion of the Board, to a different design, condition or state. Net proceeds shall include, but not limited to, proceeds attributable to insurance carried by the Association for the benefit of other third parties. Any balance from the proceeds of such insurance paid to the Association, as required in this article, remaining after satisfactory completion of repair and replacement shall be retained by the association as part of the general reserve fund for repair and replacement of the common area. If the proceeds of insurance carried by the Association are insufficient to repair or replace any loss or damage covered or intended to be covered by that insurance, (including any deductible), the board may either levy a special assessment as provided for in Section 4.3 to cover the deficiency, or otherwise provide funds to cover the deficiency in such manner as the Board shall determine.

**10.5 Restoration of Dwellings:** If any Dwelling shall be damaged or destroyed by fire or other hazards, then the owner of such Dwelling shall either, (a) rebuild such Dwelling as promptly and reasonably possible but, subject to delays for settlement and payment and payment of insurance, in any event beginning

within two (2) months and ending construction within eighteen months (18) from the date such damage or destruction occurred, (with the plans for such restoration being subject to the approval of the Architectural Committee if such plans differ in any material respect from the initially approved plans for the Dwelling), or (b) demolish and raze the damaged Dwelling, remove the slab, if any; fill in all excavations, plant grass and perform such other work as may be necessary to leave the area on which such damaged Dwelling was located in a clean, sightly and safe condition.

10.6 Condemnation: In the case of taking or condemnation by competent authority of any part of the Common Areas, the proceeds awarded in such condemnation shall be paid to the Association and such proceeds, together with any capital reserve being held for such part of the Common Areas, shall, in the discretion of the Board, (a) be applied to pay any cost, expense or liability of the Association including anticipated costs, expenses or liabilities, or (b) be used to acquire additional property to be used and maintained as common areas under this Declaration, or (c) remain the property of the Association or (d) any combination of the above.

**ARTICLE XI  
DECLARANT'S RESERVED RIGHTS**

11.1 In General: In addition to any rights or powers reserved to Declarant, or granted to Declarant under the provisions of this Declaration, or the Association Documents, Declarant shall have the rights and powers set forth in this article. Anything, in this Declaration, or the Association documents to the contrary, notwithstanding, the provisions set forth in this article shall govern, if not sooner terminated as provided in this article shall terminate and be of no further force and effect from and after such time as Declarant is no longer vested with or controls title to any part of the Property.

11.2 Promotion of Winter Creek Estates: In connection with the promotion, sale or rental of any improvement upon the Property: (a) Declarant shall have the right and power, within its sole discretion, to construct such temporary, or permanent improvements, or to do such acts or other things in, on or advisable, including, without limitation, the right to construct and maintain model homes, sales or leasing offices, parking areas, advertising signs, lighting and banners, or other promotional facilities at such locations, and in such forms as Declarant may deem advisable; and (b) Declarant and its respective agents, prospective purchasers, and tenants, shall have the right of ingress, egress, and parking in and through, and the right to use, and enjoy the common areas at any and all reasonable times without fee or charge.

11.4 Declarant Control Of Association and Architectural Committee: The first and all subsequent Boards prior to the turnover date shall consist of chosen persons, from time-to-time designated by Declarant, which persons may, but need not, be Association Members. The first and all subsequent Architectural Committees prior to the turn over date shall consist of that person or persons, from time to time designated by Declarant. In exercising such designation rights, Declarant is not bound by the provisions of this declaration specifying the number of members that constitutes the Board or the Architectural Committee. Declarant's rights under this Section to designate the members of the Board and the Architectural Committee shall terminate on the first to occur of (a) such time as Declarant no longer holds or controls title to any part of the Property, (b) the giving of written notice by Declarant to the Association of Declarant's election to terminate such rights, or (c) December 31, 2039. Prior to the Turnover Date, the voting members may elect that number of non-voting counselors to the Board or the Architectural Committee as Declarant may, in its sole discretion, permit. **ARTICLE XII**  
**ENFORCEMENT, DURATION, AMENDMENT AND SEVERABILITY**

**12.1 Preventive Remedies:** The Association, Declarant, or any Owner may proceed at law, or in equity to enforce the provisions of this Declaration. Additionally, the Association may establish rules which allow it to assess fines for wanton and willful disregard or violation of these covenants provided that the rules and regulations are clear with respect to the specific fines to be levied and the same are enforced in a non-discriminatory manner.

**12.2 Enforcement:** The restrictions herein set forth are covenants to run with the land and shall be binding upon Declarant, its successors, and assigns, Owners of any Lot and all parties claiming under them. The covenants contained in Section 8.1 are established and shall inure to the benefit of the Association, the Board, Declarant, and all owners of residential lots within the subdivision. In the event of the violation of any of the covenants in this Declaration, the Association, the Board, Declarant, or any Owner, as to violations of the covenants contained in Section 8.1 shall have the right to maintain any action at law or inequity against the person or persons violating or attempting to violate any such covenant, to prevent him or them from so doing or to compel compliance with the covenants or to recover damages for such violations. No provision of the covenants may be waived or abandoned or variance granted absent a writing signed by the Declarant or Association.

**12.3 Enforcement Rights:** The Association, or its duly authorized agents shall have the rights, upon reasonable notice, at any time, and from time to time, following violation or breach of this Declaration (a) to enter upon the lot upon or as to which said violation or breach exists and summarily to abate and remove, at the expense of the owner thereof, any structure, object or condition that may be or exist there contrary to the intent and meaning of this Declaration (including, without limitation, the care and maintenance of landscaping and lawns, care and maintenance, removal of trash and debris, removal of dirt from streets resulting from construction activity and abatement of nuisances, removal or relocation of signs, (b) to remove from the common areas any improvements, parked cars, or other property located thereon, in violation of the terms of this Declaration and (c) to institute a proceeding at law or in equity against the person or persons who have violated, or attempted to violate any of the provisions of this Declaration, to enjoin or prevent them from doing so, to cause the violation to be remedied, and to recover damages for the violation. If, pursuant to this Section, the duly authorized agents of the Association enter upon any lot or Common Areas for the purpose of abating or removing any violation or breach of this Declaration, neither the person entering, nor the person directing the entry, shall be deemed liable for any manner of trespass for such action, and the Owner of such Lot, or the Owner creating or permitting such violation, shall promptly reimburse the Association for the cost thereof. Payment of such amount shall be secured by the Assessment lien provided for in this Declaration. The Association shall have the power to enforce any obligation in connection with membership in the Association by means of a levy or assessment which may become a lien upon the separately or commonly owned Lots, parcels or areas of defaulting Owners or members, which said lien may be foreclosed in any manner provided by law for the foreclosure of mortgages or deeds of trust, with or without a power of sale. In an action brought to enforce any lien authorized pursuant to the provisions of this section, the prevailing party shall be entitled to recover reasonable attorney's fees to be fixed by the court, which shall be taxed as costs in the action.

**12.4 Cumulative Remedies:** The remedies hereby specified are cumulative, and this specification shall not be deemed to preclude any aggrieved person's right to any other remedy provided hereunder or at

law, in equity, or under any statute.

12.5 Failure to Enforce Not a Waiver of Rights: No delay or failure on the part of any aggrieved person to invoke any available remedy in respect to a violation of any provision of this Declaration shall be held to be a waiver by the person of, or an estoppel of that person to assert, any right available to him upon recurrence, or continuance of said violation, or the occurrence of a different violation, nor shall there be imposed upon Declarant, or the Association a duty to take any action to enforce this Declaration.

12.6 Assignment of Rights and Duties: Any and all of the rights, powers and reservations of Declarant herein contained, (including, without limitation, the benefits of any reserved easements), may be specifically assigned by Declarant to any person, (including, without limitation, the Association), and upon any such person consenting in writing to accept such assignment and assume such rights, powers, and duties, such person shall to the extent of such assignments have the same rights and powers, and be subject to the same obligations and duties as are given to and assumed by Declarant herein. No conveyance by Declarant of any part of the property, or any interest therein, shall be deemed to be, or construed as, an assignment of any right or power reserved herein, unless said right, power or reservation is specifically transferred or assigned by Declarant. The term Declarant as used herein, includes all such assignees who are specifically assigned such rights, powers, and reservations, and their successors and assigns. Any assignment or appointment made under this Section shall be recorded in the Office of the Grady County Clerk. From and after the date Declarant assigns to another person any of its obligations under this Declaration, Declarant shall be relieved of such obligations, and released from all liability for the performance or nonperformance.

12.7 Waiver: Neither Declarant, the Architectural Committee, the Board, the Association, or any member thereof, nor their successors or assigns, shall be liable for damages to any owner, lessee, licensee or resident or any other person by reason of any mistake in judgment, negligence, nonfeasance, action, or inaction in the administration of the provisions of this Declaration, or any part thereof, from time to time, to recover any such damages, or to seek equitable relief on account for their enforcement, or nonenforcement of this Declaration.

12.8 Duration: This Declaration, and all provisions hereof, shall remain in full force and effect until December 31, 2039, and shall automatically be continued thereafter for a successive periods of ten (10) years each, unless terminated or amended as hereinafter provided.

12.9 Amendment:

(a) Special Amendment: This Declaration may be amended, unilaterally, by Declarant at any time, and from time to time (1) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation, or judicial determination which shall be in conflict therewith; (2) if such amendment is required by an institutional, or governmental lender, or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association, or Federal Home Loan Mortgage Corporation to enable such lender or purchaser to make or purchase mortgage loans on the property subject to this Declaration; (3) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on the property subject to this Declaration; (4) to correct errors and make clarifications or additions in this Declaration; or (5) to modify or add to the provisions of this Declaration to adequately cover situations and circumstances which Declarant believes, in its reasonable judgment, have not been adequately covered, and would not have a material and adverse effect on the

marketability of lots. In furtherance of the foregoing, a power coupled with an interest, is hereby reserved and granted to Declarant to make or consent to any such amendment on behalf of each owner. Each deed, mortgage, trust deed, other evidence of obligation, other instrument affecting a lot, and the acceptance thereof, shall be deemed to be a grant and acknowledgement of, and a consent to the reservation of, the power to Declarant to make, execute, and record such amendments. The right and power to make such amendments hereunder shall terminate at such time as Declarant no longer holds or controls title to any portion of the property.

(b) In General: Subject to the provisions in Section 12.9(a), the provisions of this Declaration may be amended, modified, enlarged, abolished, or otherwise changed in whole, or in part, by the affirmative vote of voting members representing at least three-fourths (3/4ths) of the total votes, or by an instrument executed by Owners of at least three-fourths (3/4ths) of the Lots; except that (1) the provisions of this paragraph may be amended only by an instrument executed by all of the Owners and the Club Owner, (2) Article II, Article III and Article XI, and any other provision relating to the rights of Declarant may be amended only with the written consent of Declarant, (3) the amendment, modification, change, or cancellation of the covenants contained in Section 8.1 shall require the written concurrence of the Grady County Planning Commission, and a provision which grants easements or other rights to the Association may be amended only with the written consent of the Association. No amendment shall be effective until properly recorded. "Owners" shall be deemed to include mortgagees or other persons holding liens on any lot, and such mortgagees, and other lien holders, shall not be required to join in any amendment to this Declaration.

12.10 Severability: Invalidation of any restriction set forth herein, or any part thereof, by an order, judgment, or decree of any court, or otherwise, shall not invalidate, or effect any of the other restrictions of any part thereof, as set forth herein, which shall remain in full force and effect.

12.11 Gender and Grammar: The singular wherever used herein shall be construed to mean or include the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations, (or other entities), or individuals, male or female, shall in all cases be assumed, as though in each case fully expressed.

12.12 Titles: The titles of this Declaration of Articles, and Sections contained herein, are included for convenience only, and shall not be used to construe, interpret, or limit the meaning of any term or provision contained in this Declaration.

12.13 Cumulative Effect; Conflict: The covenants, restrictions, and provisions of this Declaration shall be cumulative with those of any supplemental declaration; provided, however, in the event of conflict between, or among, such covenants, restrictions, and provisions of any articles of incorporation, rules and regulations, policies or practice adopted or carried out pursuant thereto, those of any supplemental declaration shall be subject, and subordinate to those of the Association. The foregoing priorities shall apply, but not be limited to, the liens for Assessments created in favor of the Association.

12.14 Use of the Words "Winter Creek Estates": No person shall use the words "Winter Creek Estates" or any derivate thereof in any printed or promotional material without the prior written consent of Declarant. However, Owners may use the term Winter Creek Estates in printed or promotional matter where such term is used solely to specify that particular property that is located within the Winter Creek Estates and the Association shall be entitled to use the words "Winter Creek Estates" in its name.

12.15 Disclaimer of Warranty: EXCEPT AS EXPRESSLY PROVIDED IN WRITING, DECLARANT MAKES NO WARRANTY, EXPRESSED OR IMPLIED, REGARDING WINTER CREEK ESTATES, OR ANY IMPROVEMENT TO, OR IMPROVEMENTS OF WINTER CREEK ESTATES, THE CONDITIONS OF WINTER CREEK ESTATES, THE SUFFICIENCY OF UTILITIES, THE WORKMANSHIP, DESIGN, OR MATERIALS USED IN EVERY IMPROVEMENT, INCLUDING AND WITHOUT LIMITATION, THE COMMON AREAS, AND INCLUDING AND WITHOUT LIMITATION, ANY EXPRESS OR PARTICULAR PURPOSE OF USE OF ANY WARRANTY OF QUALITY.

B. The Original Declaration provides that it may be amended unilaterally by Declarant pursuant to the terms outlined in **Section 12.9** thereof. Declarant, as owner of the Club Property and various Lots by virtue of the foreclosure on the same, deems it necessary to amend the Original Declaration for purposes consistent with **Section 12.9** of the Original Declaration and, accordingly, imposes this Declaration against Tracts 1 through 9, both inclusive, described on **Exhibit A** attached hereto.

Declarant will establish an Architectural Committee that will promulgate Design Guidelines governing all aspects of the design and construction of Dwellings, and Dwelling Exteriors. The Design Guidelines will be administered by the Architectural Committee which will have the power to review and approve all Plans. Both the initial construction of Dwellings and Dwelling Exteriors, and the alterations to Dwellings, and Dwelling Exteriors, are governed by the Design Guidelines, and subject to the review, and approval of Plans. The Architectural Committee may reject Plans on purely aesthetic grounds.

During the construction and marketing of the Lots, Declarant shall retain certain rights set forth in this Declaration, which rights shall include, without limitation, the right to appoint all members of the Architectural Committee and the Board, the right to replat all, or any portion of the Property, the right to add to or delete from this Declaration, any other real property, the right to construct Improvements, grant easements and licenses, and control construction activities, and the right to execute certain documents, and perform certain other acts in connection with the development and promotion of the Property.

Notwithstanding the foregoing, Declarant shall not be obligated to bring any additional property within the scheme of development established by this Declaration, and no negative reciprocal easement shall arise out of this Declaration, so as to benefit or bind any such additional property until, and unless, such additional property is expressly subjected to the provisions of this Declaration in accordance with this article. The failure of Declarant to extend the provisions of this Declaration to additional property shall not be deemed to prohibit the establishment of separate scheme of development, (including provisions substantially similar, or identical to those contained herein), for such additional property to which this Declaration is not extended.

At any time prior to the Turnover Date, Declarant reserves the right, in its sole discretion, to remove from the provisions of this Declaration any portion of the Property then owned by Declarant. Any removal made by Declarant pursuant to this Article II shall be made by Declarant's recording a supplemental declaration describing the portion of the Property removed from this Declaration. From, and after, the date such supplemental declaration is so recorded, the portion of the Property so removed shall be free and clear of this Declaration, and of all the terms, covenants, and restrictions contained herein, including, without limitation, the liens and other provisions, in Article IV, provided that Declarant shall not remove portions of the Property which are totally surrounded on all boundaries by Property subject to this Declaration, and such removed Property shall not be entitled to use the Common Areas unless pursuant to a written agreement with the Declarant or the Association.

2.3 No Approval Needed: The exercise of Declarant's rights under Section 2.2 is not subject to

the approval of any Owner, and the requirements and limitations set forth in Section 12.9 for amendments to this Declaration shall be inapplicable to such action.

2.4 No Obligation to Develop. Nothing herein shall require Declarant to continue with the development of unimproved sections of the property, whether currently subject to a Plat, or not, or to install any improvements such as roads or utilities in the residential sections of the Property where such improvements do not currently exist.

### **ARTICLE III MEMBERSHIP, VOTING RIGHTS, AND THE ASSOCIATION**

3.1 **Association Membership:** Every Owner of a Lot, which is subject to assessment, shall automatically become, and is subject to the requirements of this Declaration, and must remain, an Association Member in good standing of the Association. There shall be one (1) Association Membership per Lot. Association Membership shall be appurtenant to any Lot, and may not be separated from ownership of any Lot which is subject to assessment.

3.2 **Voting Members:** Subject to the rights retained by Declarant under Section 11.4, including, but not limited to, the retention by Declarant of all voting rights, prior to the Turnover Date, voting rights of the Association Members shall be vested exclusively in the Voting Members. After the Turnover Date, one individual shall be designated as the Voting Member for each Lot. At that time, approved builders who have purchased one or more unimproved Lots shall be granted one vote, regardless of how many Lots they have purchased. The Voting Member, or his proxy, shall be the individual who shall be entitled to vote at meetings of the Owners. If the record of ownership of a Lot shall be in the name of more than one person, or if an Owner is a trustee, corporation, partnership, or other legal entity, then the Voting Member for the Lot shall be designated by such Owner, or Owners, in writing, to the Board and if in the case of multiple individual Owners, no designation is given, then the Board, at its election, may recognize any individual Owner of the Lot of its choosing as the Voting Member for such Lot.

3.3 **Association:** The Association has been, or will be, incorporated as an Oklahoma not for profit corporation. The Association shall be the governing body for all of the Owners for the administration and operation of the Common Areas, and the administration of this Declaration. The Association shall have all rights, privileges, and authority reasonably implied from the existence of any right, privilege, or authority granted to it in this Declaration, or the Association Documents, or otherwise reasonably necessary to effectuate any such right, privilege, or authority.

3.4 **Board:** Subject to the rights retained by the Declarant, pursuant to Section 11.4, the Board shall consist of three (3) natural persons as determined by the Association Documents, each of whom, after the Turnover Date, shall be an Owner or Voting Member. Except to the extent expressly provided in this Declaration, all of the rights, powers, and duties of the Association, and Members, including the Members' voting rights, shall be governed by the Association Documents. In the event of any conflict or inconsistency between the provisions of this Declaration and the provisions of the Association Documents, this Declaration shall control.

3.5 **Liability Limitations:** No Member, or director, partner, or officer of the Association, the Board, or Declarant shall be personally liable for debts contracted for, or otherwise incurred, by the Association or for any tort committed by, or on behalf of, the Association, or for a tort of another Member, whether such other Member was acting on behalf of the Association or otherwise. Neither Declarant, nor the Board, the Association, their directors, partners, officers, agents, or employees shall be liable for any damages, whether direct, incidental, or consequential for failure to inspect any premise, Improvements, or portions thereof, or for failure to repair, or maintain the same. Declarant, the Association or any other person, firm, or corporation, liable to make such repairs or maintenance shall not be liable for any personal injury or other incidental, or consequential damages occasioned by any act, or omission, in the repair, or

maintenance of any premise, Improvements, or portions thereof, including and without limitation, any negligent act, or omission of Declarant, the Association or their agents, employees, or contractors.

3.6 Security Services: NEITHER THE ASSOCIATION, THE BOARD, DECLARANT, NOR ANY SUCCESSOR DECLARANT, SHALL IN ANY WAY BE CONSIDERED INSURERS, OR GUARANTORS OF SECURITY WITHIN THE PROPERTY, AND NEITHER THE ASSOCIATION, DECLARANT, NOR ANY SUCCESSOR DECLARANT, SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OR FAILURE TO PROVIDE ADEQUATE SECURITY, OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. EACH OWNER OF ANY LOT, AND EACH TENANT, GUEST, AND INVITEE OF ANY OWNER, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT THE ASSOCIATION, THE BOARD, THE ARCHITECTURAL COMMITTEE, DECLARANT, OR ANY SUCCESSOR DECLARANT, ARE NOT INSURERS, AND EACH OWNER OF ANY LOT OR TRACT, AND EACH TENANT, GUEST, AND INVITEE OF ANY OWNER, ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO LOTS, AND TO THE CONTENTS OF LOTS, AND FURTHER ACKNOWLEDGES THAT THE ASSOCIATION, THE BOARD, THE ARCHITECTURAL COMMITTEE, DECLARANT, OR ANY SUCCESSOR DECLARANT, HAVE MADE NO REPRESENTATIONS, OR WARRANTIES, NOR HAS ANY OWNER, RESIDENT, TENANT, GUEST, OR INVITEE RELIED UPON ANY REPRESENTATIONS, OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OF FITNESS, FOR ANY PARTICULAR PURPOSE, RELATIVE TO SECURITY MEASURES UNDERTAKEN WITHIN THE PROPERTY.

3.7 Rules and Regulations: The use and enjoyment of the Dwelling Exteriors, and Common Areas, shall at all times, be subject to reasonable rules and regulations (the "Rules and Regulations"), duly adopted by the Board. The Rules and Regulations may include provisions governing the construction activities in, and access to and from the Property by builders and contractors. Copies of the Rules and Regulations shall be furnished, by the Association, to all Owners upon written request. The Rules and Regulations shall be binding upon the Owners, their families, tenants, guests, contractors, invitees, servants, and agents.

3.8 Managing Agent: The Association may employ a managing agent to assist the Board in administering the affairs of the Association. The Association may enter into a management agreement with Declarant, or an affiliate of Declarant.

3.9 Right to Enforce Maintenance and Repair of Dwellings: If in the sole judgment of the Board (a) an Owner has failed to maintain the Owner's Dwelling, and/or Dwelling Exterior, in good condition and repair, or the appearance of portions of the Owner's Dwelling, and/or Dwelling Exterior, are not of the character and quality of that of other Dwellings and Dwelling Exteriors in the Property, or in compliance with the Rules and Regulations, or (b) the Owner has failed to keep the Dwelling Exterior free of debris, then without limiting any rights or remedies of the Board, hereunder, or at law, the Association, its agents, employees, and contractors shall have the right to enter upon the Lot, (but not the interior of the Dwelling), and perform any maintenance or repair work which it deems necessary, or appropriate, and the cost thereof shall be a charge against the Owner and his Lot hereunder, and shall be payable by the Owner of the Lot to the Association upon demand. In the event that the Owner fails to make prompt payment of the charge upon demand, the charge shall be a continuing lien upon the Owner's Lot until such time as payment is made in full, and such lien shall be enforceable against the Owner and the Lot in the manner provided in Section 4.7.

3.10 Merger and Consolidation: Upon a merger or consolidation of the Association with another corporation organized for the same or similar purposes, the Association's properties, rights, and obligations may be transferred to the surviving or consolidated association, or alternatively, the properties, rights, and obligations of another association may be added to the properties, rights, and obligations of the Association, as a surviving corporation pursuant to a merger. The surviving or consolidated association shall administer the covenants, conditions, and restrictions established by this Declaration, together with the covenants, conditions, and restrictions applicable to the properties of the other association as one scheme. No merger or consolidation shall be permitted after the Turnover Date without the consent of Voting Members representing seventy-five percent (75%) of the total number of existing votes.

3.11 Dissolution: To the extent permissible under law, in the event of the dissolution of the Association, any Common Area owned by the Association may be conveyed by the Association to the Owners, as tenants in common.

#### ARTICLE IV COVENANTS AND LIENS FOR ASSESSMENTS

4.1 Assessments and Creation of the Lien and Personal Obligations of Assessments: The Declarant, for each Lot owned by it which is not expressly excluded herein from Assessments, and/or these liens, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant, and agree to (a) pay to the Association annual assessments, or charges, as hereinafter provided, (the "Annual Assessments"), (b) pay to the Association special assessments for capital improvements, such assessments to be established, and collected as hereinafter provided, (the "Special Assessments"), (c) pay to the Association individual or specific assessments against any particular Lot or Dwelling which are established pursuant to this Declaration, including, but not limited to, fines as may be imposed against such Lot or Dwelling in accordance with Article XII hereof, and (d) pay to the Club Owner, Membership Fees, as hereinafter defined, which may be established and collected as provided in this Article IV or pursuant to Article IX. The Assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge, and continuing lien, upon each Lot against which each such Assessment is made. Each such Assessment, altogether with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of the Lot at the time when the Assessment fell due. Any such assessments, together with late charges, interest on the unpaid balance at the Default Rate per annum, and court costs and attorneys' fees incurred to enforce or collect such assessments, shall be an equitable charge and a continuing lien upon the Lot or Dwelling, the Owner of which is responsible for payment. Each Owner shall be personally liable for assessments coming due while he is the Owner of a Lot or Dwelling, and his grantee shall take title to such Lot or Dwelling subject to the equitable charge and continuing lien therefor, but without prejudice to the rights of such grantee to recover from his grantor any amounts paid by such grantee therefor; provided, however, the lien for unpaid assessments shall not apply to the holder of any first priority Mortgage or to the holder of any Mortgage securing a loan made by Declarant, its affiliates, successors, or assigns, and who takes title to a Lot or Dwelling through foreclosure or through conveyance of a deed in lieu of foreclosure or to any purchaser of such Lot or Dwelling at such foreclosure sale. In the event of co-ownership of any Lot or Dwelling, all of such co-Owners shall be jointly and severally liable for the entire amount of such assessments.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors; provided that unless otherwise specifically provided by the Board or in this Declaration, the Annual Assessments, including Club assessments, shall be paid in advance at the beginning of the fiscal year of the Association. For all platted Lots or Dwellings owned by Declarant, yearly assessments shall be paid in arrears at the end of the fiscal year of the Association; provided, however, if a Lot or Dwelling is sold during the fiscal year, the entire yearly assessment for that year shall be payable at the time of the sale. Notwithstanding the foregoing, the following qualifications and limitations on the assessments payable by Declarant (as hereinafter specially defined for purposes of these qualifications and limitations) shall apply: (a) So long as Declarant owns any platted Lots or unoccupied Dwellings, Declarant shall not be subject to any additional assessment with respect to such Lots or unoccupied Dwellings that may be hereafter adopted by the Association to provide incentive or assistance funds relative to maintenance or operation of the golf course on the Club Property; and (b) the yearly assessment payable by the Declarant with respect to any such Lot or unoccupied Dwelling shall reduce in accordance with the following

schedule:

- For the first year, measured from the date the Lot is deemed developed (as hereinafter defined), the assessment on the Lot or unoccupied Dwelling shall be the full amount determined as provided for other non-Declarant owned Lots therein a "**Full Assessment**"). For all Lots deemed developed as of the date of this Amendment the foregoing one-year period shall be deemed to start on the effective date of this Amendment, and the subsequent yearly periods described below will be measured from the effective date of this Amendment.

- For the second year after the Lot is deemed developed, the yearly assessment shall be one-half (1/2) of the Full Assessment.

- For the third year after the Lot is deemed developed and thereafter until the Lots is sold, the yearly assessment shall be one-quarter (1/4) of the Full Assessment.

The reduced assessments shall apply only to the Declarant. Therefore, if a Lot is sold during any fiscal year the portion of the assessment attributable to portion of the year after the sale (and payable at the time of sale) shall be a pro rata portion of the Full Assessment and a pro rata portion of any Club assessment for that year. Because the reductions may occur at times other than the beginning of a fiscal year, the yearly assessment for a fiscal year may have to be determined using two different rates.

For purposes of the foregoing schedule of reducing assessments, a Lot shall be deemed "developed" when the street serving the Lot is paved and available for vehicular access to the Lot and electric service to the Lot is available in the platted easement serving the Lot. Also, for purposes of this **Section 4.1**, the term Declarant shall mean Winter Creek Estates, LLC.

**4.2 Purpose of Annual Assessments:** Annual Assessments shall be made by the members of the Association, and shall be used for the purpose of promoting the enjoyment, and welfare of the Owners, and for the maintenance and improvement to the Common Areas and other portions of the Property, for which the Association has responsibilities, as provided in this Declaration, including, and without limitation, for the (a) maintenance and repair, (and replacement, as necessary, but excluding initial construction, unless authorized by this Declaration), of the Common Areas, waterways, other facilities, and operations, and all landscaped areas located within median strips, or other portions of any dedicated or private streets, or other rights-of-way, on or adjacent to the Property; (b) the payment of ad valorem taxes, assessments, and similar charges, and premiums for hazard, and other insurance in connection with the Common Areas, and such other portions of the Property as the Board deems appropriate, and public liability and other insurance of the Association; (c) payments of the cost of labor, utilities, water, lighting, walkways, equipment, (including the expense of leasing any equipment), and material required for, and management and supervision of, the Common Areas; (d) compliance with governmental laws, rules, and regulations; (e) carrying out the powers, and duties of the Board and the Association; (f) payment for security services, if any, for the Property; and (g) carrying out the purposes of the Association, as stated in the Association Documents.

**4.3 Special Assessments for Capital Improvements:** In addition to the Annual Assessments authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement upon the Common Areas, including fixtures and personal

property related thereto, provided that any such Special Assessment shall have the assent of two-thirds (2/3) of the votes entitled to be cast by the Members present, voting in person, or represented by valid proxy, at a meeting duly called for that purpose at which a quorum is present. Written notice of Special Assessments and due dates shall be sent to each owner.

4.4 Notice and Quorum for Any Action Authorized Under Sections 4.2 and 4.3: Written notice of any meeting, for the purpose of taking any action authorized under Sections 4.2 or 4.3, shall be sent to all Members not less than ten (10) days nor more than forty-five (45) days in advance of the meeting. At the first of each such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the proceeding meeting. With respect to Section 4.3, in the event two-thirds (2/3) of the members present do not assent at the time of the meeting to the proposed special assessment, Members not present may, within thirty (30) days thereafter, give assent, by delivery of written assent, to the Secretary of the Association, and such assents shall be deemed votes cast at the meeting.

4.5 Uniform Rate of Assessment: Both Annual and Special Assessments must be fixed at a uniform rate, and may be collected on a monthly basis.

4.6 Date of Commencement of Annual Assessments; Due Dates: The first Annual Assessments shall commence, as to all Lots, on the date specified by the Board and shall continue thereafter from year to year. The first Annual Assessment shall be adjusted according to the number of months remaining in the calendar year. The Association shall fix the amount of subsequent Annual Assessments against each Lot at least thirty (30) days in advance of each Annual Assessment period. The omission or failure of the Association to timely fix the Annual Assessments shall not be deemed a waiver or release of any Owner from the obligation to pay such Assessment when fixed. Written notice of the Annual Assessment shall be sent to every Owner subject thereto. The due dates for the Annual Assessments shall be established by the Association. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association, setting forth whether the Assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of Assessments on a Lot is binding upon the Association as of the date of its issuance.

4.7 Effect of Nonpayment of Assessments: Any Assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the Default Rate of eighteen (18%) per annum, and Owners shall be liable for all costs and expenses incurred in collection, including attorneys' fees. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive, or otherwise escape liability, for the Assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

4.8 Subordination of the Lien to Mortgages. The lien of the Assessments shall be subordinate to the lien of ad valorem taxes and any duly recorded first mortgage filed prior to the date of the recording of the lien created by the unpaid Assessments. Sale or transfer of any Lot shall not affect the lien for Assessments, except that a sale or transfer of any Lot pursuant to mortgage foreclosure, or any proceeding

in lieu thereof, shall extinguish a subordinate lien for Assessments which became payable prior to that foreclosure. Any such delinquent Assessments shall continue to be the personal obligation of the Owner of the Lot foreclosed upon, notwithstanding the extinguishment of the lien securing such Assessments. No sale or transfer shall relieve the purchaser or transferee of a Lot, nor the Lot so foreclosed from liability from the Assessments thereafter becoming due, or from the lien thereof. Upon the sale or conveyance of any Lot, all unpaid Assessments against an Owner levied by the Board, shall first be paid out of the sale price paid by the purchaser, in preference over any other assessments or charges of whatever nature, except the following:

- Assessments, liens and charges in favor of the State of Oklahoma, and any political subdivision for past due and unpaid ad valorem taxes on the Lot; and
- Amounts due under any duly recorded first mortgage securing borrowed indebtedness to the extent that the Assessments are subordinated to such borrowed indebtedness.
- Exempt Property: All properties, dedicated and accepted, by a public authority, and all Common Areas shall be exempt from the Assessments.

(k) Damage by Owner: If, due to the act or omission of an Owner of a Dwelling, or of a household pet, or guest, or other authorized occupant, or invitee of the Owner of a Lot, damage shall be caused to the Common Areas, and maintenance, repair, or replacement shall be required thereby, then such Owner shall pay for such damage, and such maintenance, repairs, and replacements as may be determined by the Board.

Such easements may be granted, or accepted by Declarant until such time as Declarant delegates said authority to the Board, provided, however, prior to the Turnover Date, the Board must obtain the written consent of Declarant prior to granting, or accepting, any such easements. Declarant may plat, or replat, all, or any portion of, the Property in accordance with applicable law, any portion of the land in the Property, that it may own from time to time, thereby reconfiguring the Lots, Common Areas, or any portion thereof.

6.3 Right of Entry for the Association: The Association shall have the right, but not the obligation, to enter into any Dwelling Exterior portion of any Lot for any emergency, security, and/or safety reasons, and to inspect, for the purpose of ensuring compliance with this Declaration, the Association Documents, and the Rules and Regulations, whose rights may be exercised by the Board, its officers, agents, employees, and managers, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. This right of entry shall include the right of the Association to enter a Dwelling Exterior portion of a Lot to cure any condition which may increase the possibility of a fire, or other hazard, in the event an Owner fails, or refuses to cure the condition within a reasonable time after request by the Association. restrict or adversely affect drainage, or the use of the easement for its intended purpose. Each Owner assumes full, complete, and exclusive liability, and responsibility, for all cost and expense related to damage, repair, relocation, and restoration of such Improvements. Except as to special street lighting, or other aerial facilities, which may be required by municipal authorities, or which may be required by the franchise of any utility company, or as provided in the Plat, no aerial utility facilities of any type, (except meters, risers, service pedestals, and other surface installations necessary to maintain or operate appropriate underground facilities), shall be erected, or installed in the Property, whether upon individual Lots, easements, streets, or rights-of-way of any type, either by the utility company, or any other person or entity, and all utility service facilities, (including, but not limited to water, sewer, gas, electricity, and telephone), shall be buried underground, unless otherwise requested by a public utility, with the approval of the Association. There is hereby reserved for the benefit of Declarant, the Association, and their respective Agents, employees, successors, and assigns, an alienable, transferable, and perpetual right and easement on, over, and across all Lots and all unimproved portions of Dwellings for the purpose of taking any action necessary to effect compliance with environmental rules, regulations, procedures from time to time promulgated or instituted by the Board of Directors or by any governmental entity, such easement to include, without limitation, the right to implement erosion control procedures and practices, the right to drain standing water, and the right to dispense pesticides and herbicides.

Neither the Association nor any Owner shall have any right, title or interest whatsoever in the Club Property or in the operations conducted in the Club Property, including, but not limited to, equity rights, prescriptive easements, use rights to use the improvements, or the right to continued operation of any improvements located on the Club Property. Notwithstanding the foregoing, every Owner of a Lot or Dwelling shall be required to be a member of the Club, and such Owner shall be subject to the same membership requirements, fees and dues structures and such other rules and regulations as are applicable to other Members in accordance with the Club Plan. Declarant, and its successors, and assigns, shall have the right to erect, or permit the erection of water wells, and water collecting lines, on the Property, and to grant easements for the purposes of construction, drilling, laying, maintaining, and operating water wells, and water collecting lines, to service those water wells, which water

All surface water and runoff water from the Property shall belong to the Club Owner for the purpose of irrigation of the Club Property. Without the prior written consent of the Club Owner, no Owner shall change the natural flow of the surface water on Owner's Lot so as to either (i) direct water onto the Club Property, or (ii) to disturb the natural flow of water onto the Club Property.

6.9 Easement for Encroachment. The construction of any Improvements adjacent to or encroaching upon any pond, lake or other body of water within the Development is prohibited unless otherwise permitted by the Declarant and the Board of Directors and approved by the Architectural Committee. In the event that by reason of the construction, repair, reconstruction, settlement, shifting, or incorrect conveyances of a Lot, any facilities servicing any such Lot, or any Improvements to the Common Areas shall encroach upon any part of any Lot, or the Common Areas, then, in any case, there shall be deemed to be an easement in favor of, and appurtenant to, such encroaching Improvement for the continuance, maintenance, repair, and replacement thereof, provided, however, that in no event shall an easement for any encroachment be created in favor of any Owner. If such easement for any encroachment be created in favor of any Owner, if such encroachment occurred due to the intentional, willful, or negligent conduct of such Owner, or his agent, and provided further, this encroachment shall be limited to minor encroachments, not to exceed two and one-half feet (2.5'). The person who is responsible for the maintenance of any encroaching Improvement, for which an easement for continuance of such encroaching Improvement, and the person who is responsible for the maintenance of the real estate upon which such Improvement encroaches, shall not have the duty to maintain, repair, or replace any such encroaching Improvement, unless otherwise provided in this Declaration.
